

Dhruvi Mistry

Bilimora, Gujarat | +91 88491 57722 | dhruvim433@gmail.com | [LinkedIn](#)

PROFESSIONAL SUMMARY

Front-end developer skilled in creating impactful, user-centered web applications with experience in UI design. Seeking a role to apply my technical skills, collaborate with a dynamic team, and deliver high-quality solutions while continuing to grow.

EDUCATION

2021 - 2025 | SVIT, Vasad

Bachelor of Engineering | Information Technology
Current CGPA 8.50

2019 - 2021 | St. Joseph E.T. High School, Bilimora

HSC | Percentage: 80.2%

EXPERIENCE

Web Developer | CodeSpeedy Technologies Pvt. Ltd | June-July 2024

- During my 1-month, I implemented a unique password show/hide feature and developed a file drag-and-drop upload functionality, enhancing user experience and efficiency with technologies like HTML, CSS, and JavaScript.

PROJECTS

GTU SPI Calculator | HTML, CSS, JavaScript

- Designed a webpage using HTML, CSS and JavaScript that calculates SPI and Percentage of current semester using Grades obtained in the subject or Total Credit points of the subjects and Earned Grade Points.

Smart Classroom Management | Python, ML, IoT

- The project uses **ML algorithms** and **IOT devices**.
- It detects people in specific parts of the classroom and maintains the lighting and ventilation in the particular section of the classroom. Implemented using Audrino and IoT devices.

SKILLS

- Programming languages: C, Java, Python
- Web development: HTML, CSS, JavaScript, ReactJs, AnjularJs, Node.js, MongoDB
- Tools: Figma, Canva, GitHub, Jupyter Notebook, Adobe Illustrator
- Other: Critical Thinking, Problem-Solving, Visual Design, Technical Documentation
- Fluent Languages: English, Hindi, Gujarati

CERTIFICATIONS

- 'FLY-scholar CMI 2022': Leadership Development
- 'Code Unnati Program' by Edunet and SAP: Data Science, ML, AI, IoT
